

Fort Smith Parks and Recreation Adopt-A Median, Flower Bed, or Park Sponsorship Program

The City of Fort Smith's Adopt-A-Median, Flower Bed, or Park Sponsorship Program is a means for citizens to show their pride and support for their community. The goal is to have each median, flower bed, and park sponsored, ensuring a sense of ownership and responsibility for all our parks and park facilities.

The program will ensure community support and establish the beauty of Fort Smith as a top priority and commitment by the City of Fort Smith, its organizations, businesses, and citizens.

The program will ensure that the medians, flower beds, and parks are aesthetically pleasing, and highly maintained at all times.

The program will ensure that the City of Fort Smith's medians, flower beds, and parks are for the community to enjoy now and in the future.

The signature to the Sponsorship Program agreement signifies that the sponsoring organization/company or individuals agree to abide by its content, as well as the reciprocating agreement by the Fort Smith Parks and Recreation Department. By signing this agreement, both parties agree to work together to establish the adopted medians, flower beds, and parks as a top priority for the City and communities of the City of Fort Smith.
